

We Simplify Technology.

WHO WE ARE

Arctic IT® is a highly awarded technology company specializing in managed services, application services, and tribal enterprise services. We are a proud member of the Doyon, Limited family of companies, an **Alaska Native Corporation 8(a)**, and a **Microsoft Gold Partner**.

We started in 2003 as a local provider for the Anchorage market. Today, our company provides scalable, innovative solutions to clients nationwide from our support center in Plano, Texas.

WHAT WE DO

Arctic IT is a security-first technology provider. Our managed services offering is a strategic collection of leading technology products, while our business applications are primarily based upon **Microsoft Dynamics 365**. These solutions are workhorses that simplify your operation and can be deployed in both on-premise or cloud configurations.

We are always present, allowing you to focus on your business instead of thinking about your technology.

Start with an
excellent foundation.

Then deploy world-class software
and applications.

WHERE WE DO IT

Arctic IT is proud to serve clients in the **tribal, government, and commercial sectors**. We know that different verticals have different needs. Our flexible, scalable solutions are designed to empower organizations of any size with great technology to meet their ever-evolving demands.

Tribal

As an Alaska Native Corporation (ANC), no one understands the technology needs of tribal governments and business enterprises better than Arctic IT. We guide tribes and ANCs to best practices and empower them to centralize processes and data. Our proprietary solution, **Tribal Platforms Enrollment**, currently manages more than 400,000 member records across the nation.

Government

With over a decade of support in the public sector, we've mastered a depth of expertise in federal, state, and local governments. Our client experience includes the National Park Service, U.S. Department of Transportation, Housing and Urban Development, U.S. Tax Court, U.S. Court of Appeals, and the Bureau of Indian Affairs. Arctic IT is a **GSA Schedule 70** contract holder.

Commercial

Arctic IT has deep roots in the commercial market. Industries we serve include **oil field services, medical facilities, commercial fishing, legal firms, professional services firms, and multi-national transportation companies**, to name a few.

“Arctic IT looks out for our unique tribal needs. They have the **depth of expertise** and broad tribal client base that proves **invaluable** in strategizing and implementing solutions.”
