ABOUT ARCTIC IT

As a minority-owned **Alaska Native Corporation (ANC)** company, Arctic IT takes pride in providing world-class solutions to government agencies.

Arctic IT helps government agencies modernize and migrate business applications to the Microsoft Cloud. Our core expertise consists of Microsoft Dynamics 365, Microsoft 365 Apps, Azure, Power Apps, Power BI, Cloud Security, Microsoft Government Community Cloud deployments, and managed IT services.

As a security-first partner, our company is unique in our depth of expertise. We provide strategic value with our multi-disciplined knowledge and proven approach to digital transformation. **We simplify technology.**
